Another day of school! This thought didn't dismay Bob Frank, Pat Burre, Marty Walker, or Carolyn Castrovine as they entered the building.

"Next we'll hang the balloons," Ronnie Mischler told Stan Chapman as the students decorated for the "Pigskin Parade."

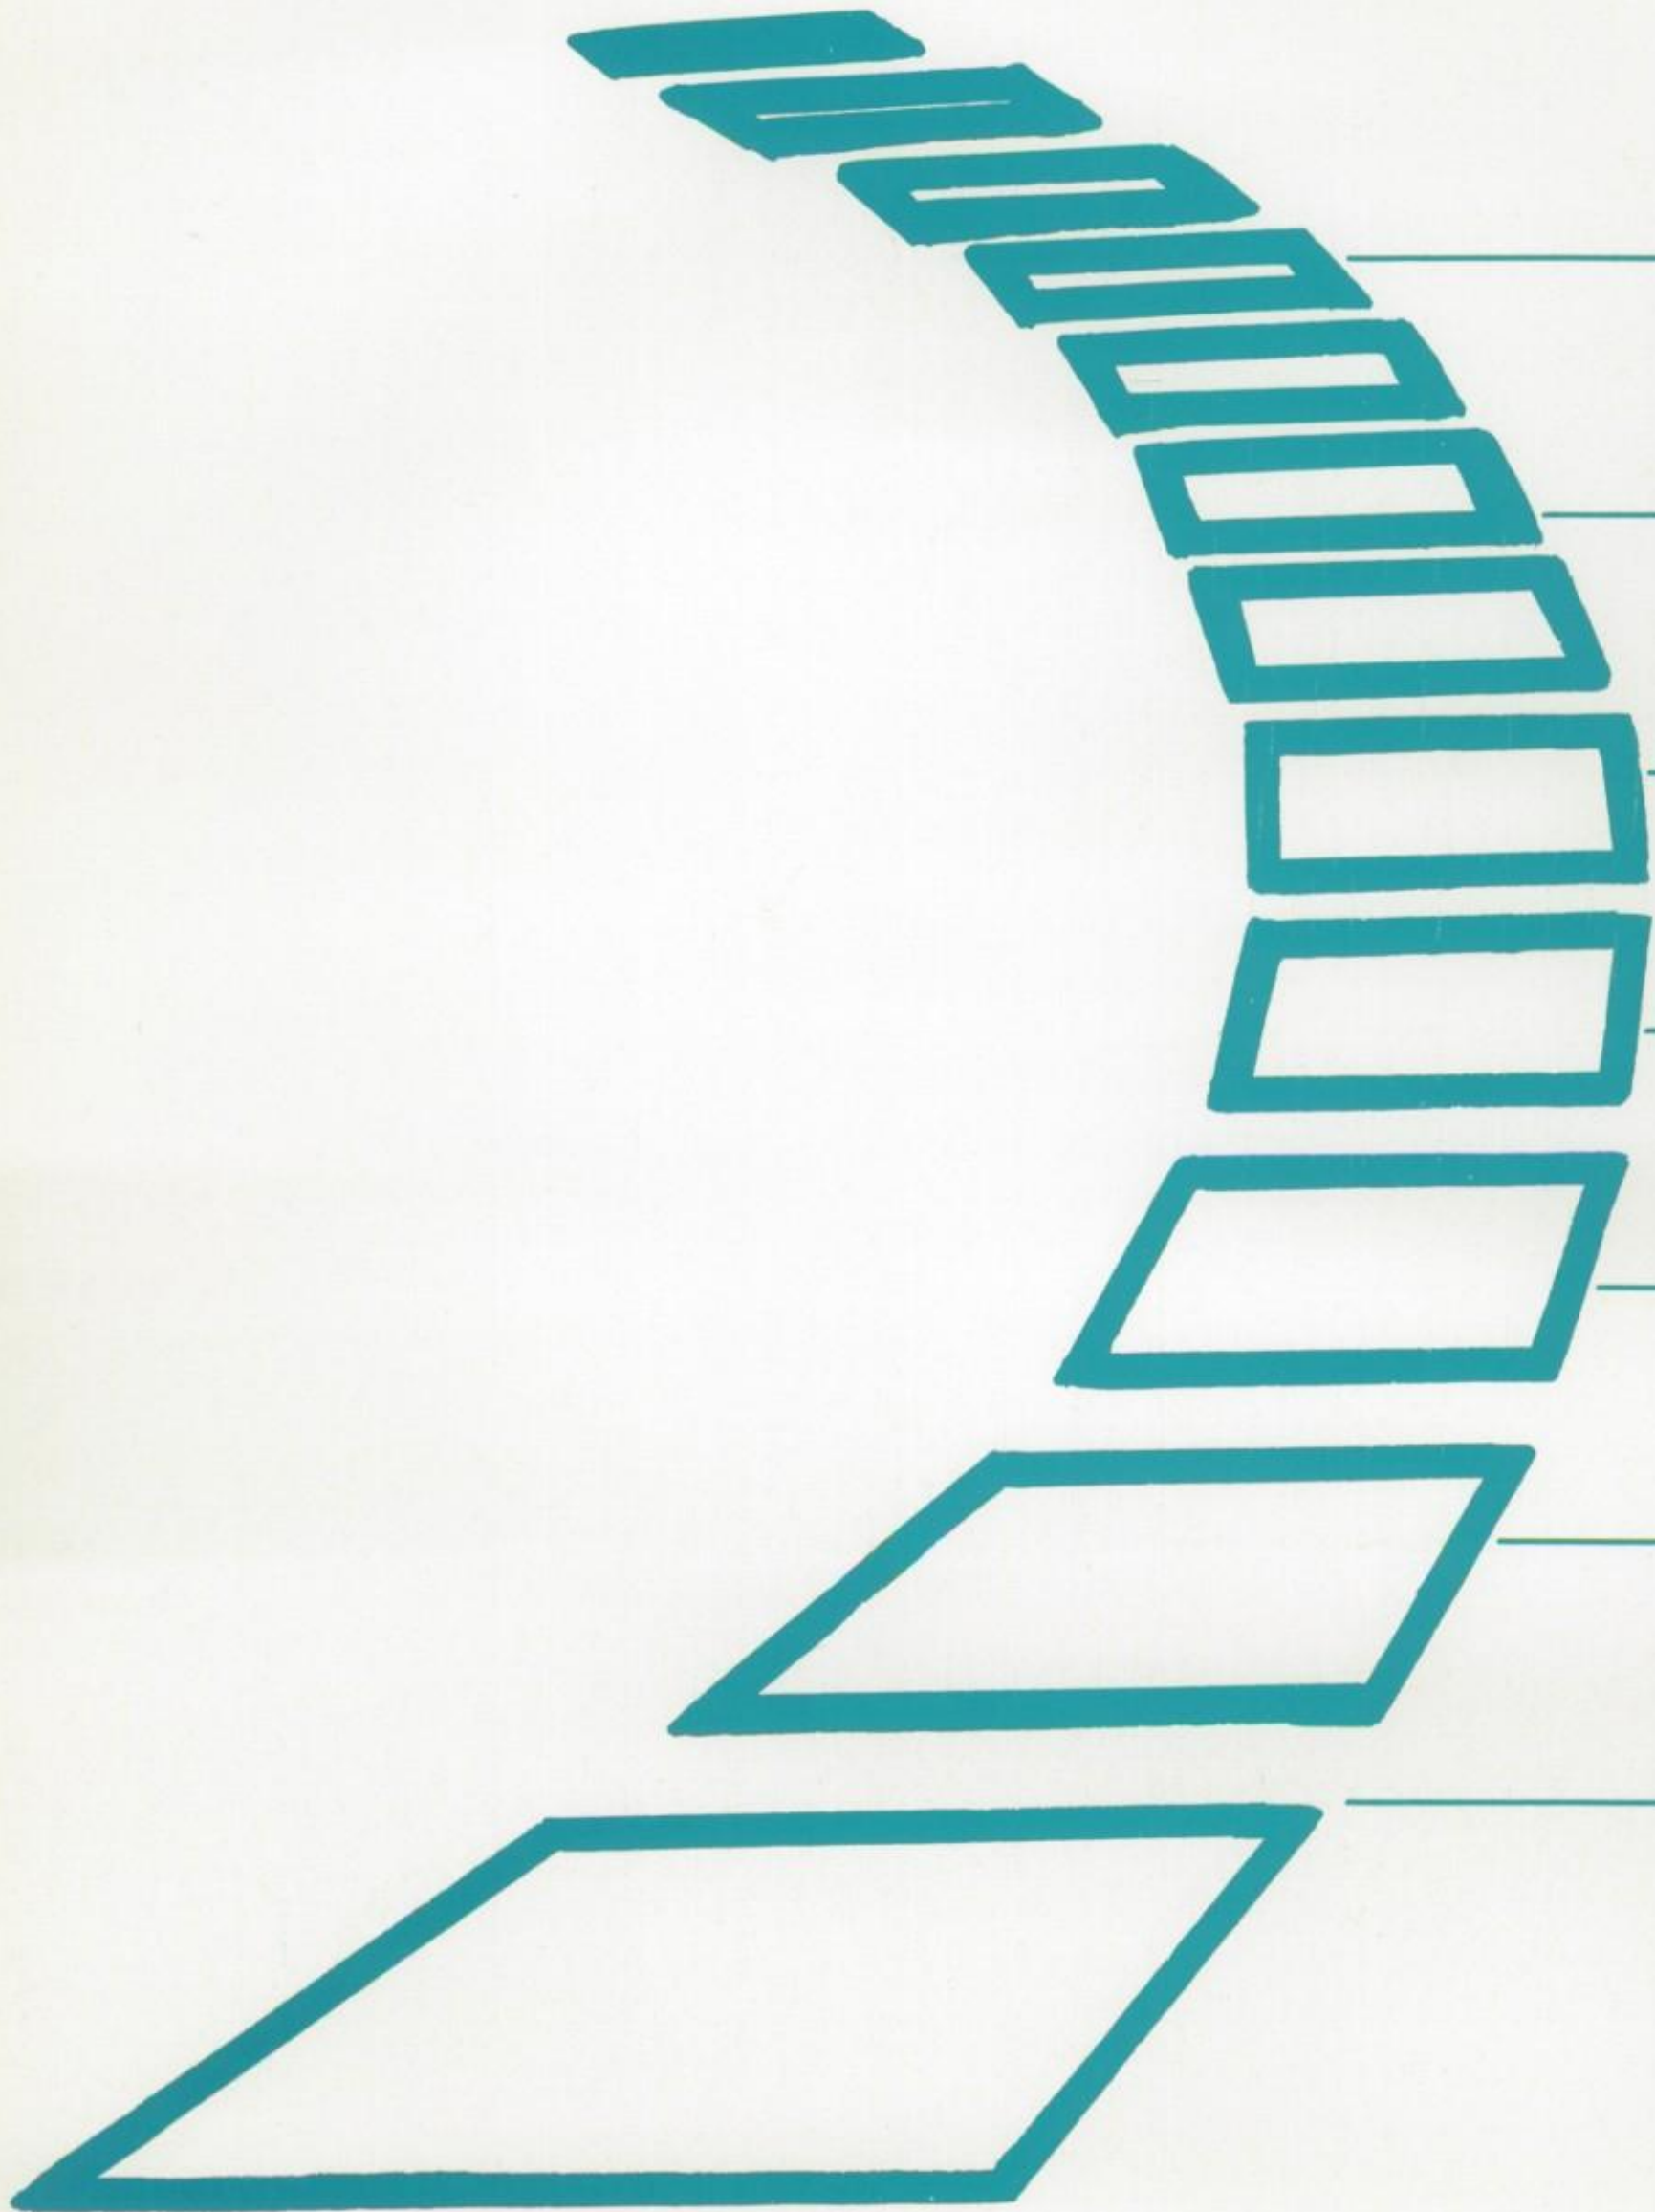

When the bell rang, nearly everyone "changed classes" in Sandusky High.

STAIRS!

Stairs! Life is like a staircase; each fulfilled goal is a step which leads us to greater accomplishments. For some, Sandusky High School is the last step of formal education; for others, high school graduation is merely a landing which leads to further years of study. For all of us, the years spent at Sandusky High School will long be remembered as some of the best years of our lives. We will recall our dedicated teachers and coaches, the large, diversified curriculum, and the excellent athletic program. Sandusky High School students have been fortunate to have modern equipment and learning aids. This year television was used experimentally in the history department, and a reading laboratory was installed in the English department. Tape recorders and films aided the language students in their study. On the following pages some of these aspects of our school have been recorded in pictures and print. As you turn the pages you will follow, step by step, the activities of the Sandusky High School students of 1961 and 1962.

ADMINISTRATION

Board of Education: Mr. Richard Fuller, Mr. Gerald Swank, Mrs. John Rheinegger, Dr. Lester Parker, Mr. Wallace Glenwright, Mrs. Ross Knoble, Dr. Dean Sheldon.

As an elected representative of the people of the Sandusky school district, each member of the Board of Education serves for a term of four years. The school tax levies paid by all Sandusky property owners provide the money for the school board to run our school system. In addition to approving the employment of all personnel,

as recommended by the Superintendent of Schools, the Board authorizes the purchase of educational and non-educational supplies and issues diplomas to graduating students. The members also make resolutions concerning the use of the various school buildings. Dr. Lester Parker is currently serving as president of the school board.

WALLACE C. GLENWRIGHT
Superintendent of Schools

Under Competent Direction

Mr. Wallace Glenwright has been superintendent of the Sandusky School System for the past four years, and under his direction the school board has appointed a business manager and a supervisor of secondary education, broadened the general curriculum, and conducted two town hall meetings, which were composed of local citizens who studied all aspects of education in Sandusky. Prior to becoming superintendent of the Sandusky School System, Mr. Glenwright was the principal of Sandusky High School. A graduate of Mount Union College, he received his Master of Arts degree from Ohio State University.

RAYMOND S. BRICKLEY
Assistant Principal

Mr. Raymond Brickley holds two important positions in Sandusky High School, that of assistant principal and counselor to freshman and sophomore boys. As the assistant principal, he must help Mr. Walker to provide efficient administration of the faculty and the student body. To counsel underclass boys in their academic and personal problems is another phase of his duties. He also directs the Sandusky branch of Bowling Green State University. Mr. Brickley received his Bachelor of Science degree from Miami University and his Master's degree from Western Reserve.

... An Excellent School

J. THEODORE SEAMAN
Supervisor of Secondary Education

OTTO V. WALKER
Principal

It is the job of Mr. Otto V. Walker, principal of Sandusky High School, to see that our school is run properly and smoothly. He welcomes all guests to the school, promotes good student-teacher relationships, and supervises our educational program. Before coming to Sandusky, Mr. Walker was principal for three years in Coshocton and ten years in Dover. He received his Bachelor of Arts degree from Denison University and his Master of Arts degree from Ohio State University.

For the past three years Mr. J. Theodore Seaman has held the position of Supervisor of Secondary Education. He supervises the curricula and instruction at Adams and Jackson Junior High Schools and Sandusky High School. He works with the principals and teachers in selecting instructional materials, textbooks, and curricula. Mr. Seaman was graduated from Otterbein College, attended Colorado University, and received his Master's degree from Ohio State University.

ELLEN M. LEHMAN
College Counselor

Miss Ellen Lehman is the college counselor for Sandusky High School students. She aids each student in the selection of the college or special school which is suited for the individual's personality, interests, finances, and ability. Her files contain bulletins from colleges in every state of the union. With Miss Lehman's help the mechanics of admission, applications for scholarships, and program selection are completed efficiently and correctly.

JANICE M.
SCOTT

GENEVA E.
HANKISH

Girls' Counselors

Miss Janice Scott is a graduate of the University of Toledo where she received her Bachelor of Science degree in Education. Here at Sandusky High School she is counselor for all freshman and sophomore girls. She helps them in planning their schedules, securing part-time jobs, and discussing any of their personal problems. Miss Scott, along with her many counseling duties, belongs to the Scholarship Committee and Guidance Committee.

Miss Geneva Hankish, as counselor for junior and senior girls, assists with scheduling, helps with securing part-time jobs, and encourages a better relationship between student, teachers, and parents. In addition, Miss Hankish is a member of the Guidance Committee and sponsor for the Future Nurses Club. Bluffton College claims her as a graduate. She received her Master's degree from Bowling Green State University and her Counselor's Certification from the University of Toledo.

CLAY H. BLANCHE
Dean of Boys

... Responsible Citizens

DORWIN J. LAESSLE
Supervisor of Industrial Education
Phyllis Sharp, secretary

Mr. Dorwin Laessle is the Supervisor of Industrial Education for Sandusky High School and director of Adult Education. His responsibilities include the planning of the high school industrial education program which has a staff of nine instructors. His evening adult program includes classes in apprentice work, trade extension, and general courses. He also aids and encourages boys in choosing a career in the field of industrial education. Mr. Laessle received his Bachelor of Science degree in Education from Bowling Green State University.

Mr. Clay Blancke is Dean of Boys at Sandusky High School, where he is responsible for junior and senior boys' attendance and behavior, vocations, education, and scholastic achievements. He is not only college counselor for all senior boys, but he is also in charge of the auditorium stage crew, the visual aid films, and all general tests given to the students. A mathematics major, Mr. Blancke received his Bachelor of Science degree from Ohio State University.

STANLEY E. MARTIN
Business Manager
Sandusky School System

Mr. Stanley Martin serves the Sandusky School System as the business manager. As a member of the Administrative Staff, his position is very important, for he is concerned with the buildings' construction, maintenance, and the management of the custodial staffs of all the school buildings and grounds. Mr. Martin is a graduate of Denison University. His office is located in the administrative suite of Adams Junior High School.

Carolyn Winkler, Delores Pomerson, and Gerry Bouy keep the office running smoothly.

Mrs. Winkler and Dr. Stimson know how to keep us all healthy. Miss Witter was absent when the picture was taken.

History From Textbooks And Television

The Sandusky High School history department strives to educate its students in the problems of the past in order to provide insight for the future. This aim is carried out in the courses of world history, American history, American government, and economics. Although world history may be substituted with a second year of a foreign language, American history, government, and economics are required for graduation. World history, a sophomore subject, instructs the students in the growth of civilizations and the rise and fall of great nations. The teachers of American history, aided by the newly installed televisions, teach the founding and growth of our economic and social systems. American government and economics are semester subjects taken by all seniors. Government acquaints the student with the technicalities of our governmental system, while the study of economics covers the production and use of the wealth of our country. These courses contribute to the growth of the citizens who will become the leaders of tomorrow.

Penmanship —

The English department of Sandusky High School is very thorough in its coverage of the many aspects of our language. Ninth graders are taught grammar, spelling, and the major steps in writing a theme. Their literature includes poetry, short stories, and the complete book of *Silas Marner*. Sophomores review grammar and have more practice in writing compositions. Shakespeare's *Julius Caesar* is read and thoroughly studied. The study of American literature in the junior year includes American poetry and drama of the past and present, highlighted by the unique play, *Our Town*. Although only three years of English are required for graduation, English 400 is recommended for all seniors who plan to attend college. This course includes units in habits for studying in college, grammar review, composition, and English literature. Vocabulary is highly stressed in this course also.

Another course offered by the English department is speech and dramatics. Speech seeks to develop a pleasant speaking voice and good speech habits, while dramatics offers history of the theater and methods of stage craft, make-up, and acting. Plays are presented to the school and public audiences.

A very helpful source of information for students is the school library. Miss Krueger, the librarian, is happy to offer her assistance in selecting a novel, biography, or a book related to the subject of a term paper. Magazines and newspapers are on hand for the reading of the latest articles, and numerous reference books are available for research papers.

I must go faster, faster, faster!

A new feature in the English department this year is the addition of a reading laboratory. This is designed to improve the reading rates and comprehension of students. Special equipment used in these classes includes films, slides, and the pacer, all of which enable the student to improve his reading speed. Mr. Schlagger, the instructor, was specially trained in this field last summer at Purdue University.

Breaking The Language Barrier

Our foreign languages, French, Spanish, German, and Latin, are taught by Mr. Garrabrant, Miss Randall, Miss Blackwell, Mrs. Schubel, and Mrs. Scheufler. Through their efforts and the use of new teaching techniques, students are able to develop a fluency in reading and speaking a foreign language such as French, Spanish, or German. Although Latin is not a spoken language today, it is a very important course for those seeking careers in scientific fields. Many modern aids to learning have been afforded us. New laboratories with speakers and recorders, films, and records make learning easier. A working knowledge of a language makes us better citizens in the complex world of today.

Modern Mathematics

In A Modern World

Joyce Bouy

Paul Dahnke

All students at Sandusky High School are required to take one year of mathematics. The mathematics department offers courses for both the college-bound students and those who wish to immediately enter the business world. A freshman may take general mathematics or algebra. After he has completed one year of algebra, a student is eligible for a year's course in geometry, which includes a study of plane and solid geometry. Analytic geometry is also introduced at the end of the year. Following geometry, a second year's course in algebra is offered. Here the student learns many new aspects of algebra, and an extensive study of the quadratic function is undertaken. The last year of mathematics at Sandusky High School is appropriately called "Advanced Mathematics." Mr. Dahnke taught the course this year to approximately fifty students. Trigonometry, analytic geometry, and an introduction to calculus are given to the seniors. Mathematics is no longer only the tool of the physicist; it is a science of its own.

The Albert Einsteins of tomorrow?

Science Explains Nature's Secrets

Our science department, with its many and varied courses, provides a well-rounded foundation in the sciences for all those who are interested in this field. The complete laboratory facilities in the biology, chemistry, and physics rooms accommodate tomorrow's future scientists in their research into the laws of man and nature.

Students enrolled in general science study the general aspects of the planets and the earth. Biology, the study of plants and animals, can be followed with a course in advanced biology, which deals with the structure of the human body. Chemistry introduces to its students the chemical contents of the universe. Physics includes the study of the physical laws of the earth, while more advanced students are offered a course in advanced physics.

Industrial Education For Practical Experience

The industrial education department offers a wide variety of courses to prepare its students for future vocational trades. After completing at least two elementary semester courses in one or more areas, a student may specialize in any one. Among the fields open to him are drafting, foundry, machine shop, printing and photography, welding, woodworking, and electricity. In each section the many new tools and modern machines provide the student with equipment for practical experience while learning the skills of his trade. In the auto mechanics course, vocational training is available to any student who desires it. The course consists of three hours per day of training with engines of actual automobiles, as well as special machines for testing specific parts of the motors. Regardless of which course a student decides to follow, he is sure to receive a rich education in vocational training.

Expression Through Music And Art

The excellent music department of S.H.S. stimulates interest in all phases of this field. The vocal music department, under the direction of Mr. Kaufman, offers a course in music theory and appreciation as well as numerous vocal music classes. General music and Prep Choir prepare underclassmen for future study in either Girls' Glee Club or A Cappella Choir, both performing groups. Directed by Mr. Albert, the band stimulates school spirit during the football and basketball seasons, as well as at all pep rallies. Each spring the entire band presents a public concert and attends the Buckeye Conference Band Festival.

In the art department the artistic-minded student can secure excellent instruction from our two art teachers, Mr. Smith and Mrs. Brattain. Texture, perspective, coloring, shading, and their application to drawings and paintings are among the many aspects of art which are taught. Beginning and advanced courses are also offered in crafts. The creations of this department appear throughout the school at many times. Surely a well-rounded artistic background can be procured in the Sandusky High School art department.

Physical Fitness Through Physical Exercise

"The wrist bone is connected to the arm bone . . ."

Miss Vogelgesang and Mr. Morrow instruct all freshmen and sophomore students in physical education classes twice each week. The students learn not only the fundamental rules of such sports as volleyball, soccer, and basketball, but are given lessons and practice sessions on the trampoline. At the conclusion of each estimate, the boys' and girls' classes switch facilities, one class moving to the pool for swimming and the other to the gym. In the pool, each individual is taught new strokes as well as how to improve his present swimming style.

For one semester every junior is required to take health four days a week. Mr. Horning, the health teacher, instructs his students not only in basic health habits but teaches them about the human skeleton and the human circulatory system. The students also receive practice in first aid and artificial respiration, and study narcotics and their effects on the body. The newest phase of the course is the study of driving laws and safe driving practices. The student who has completed health is better prepared to face the world.

Home Economics Today For Tomorrow's Homemakers

Sandusky High School offers a complete program in home economics which includes sewing, cooking, home planning, and child care. Facilities such as sewing machines, complete kitchen units, and rooms furnished similarly to a home are used to aid the teaching of these skills.

In the food department the students learn to plan, purchase, and prepare meals. The kitchen units, including stoves, refrigerators, sinks, and counters for working, are used extensively in this phase of the student's training. In the clothing department the girls learn about the

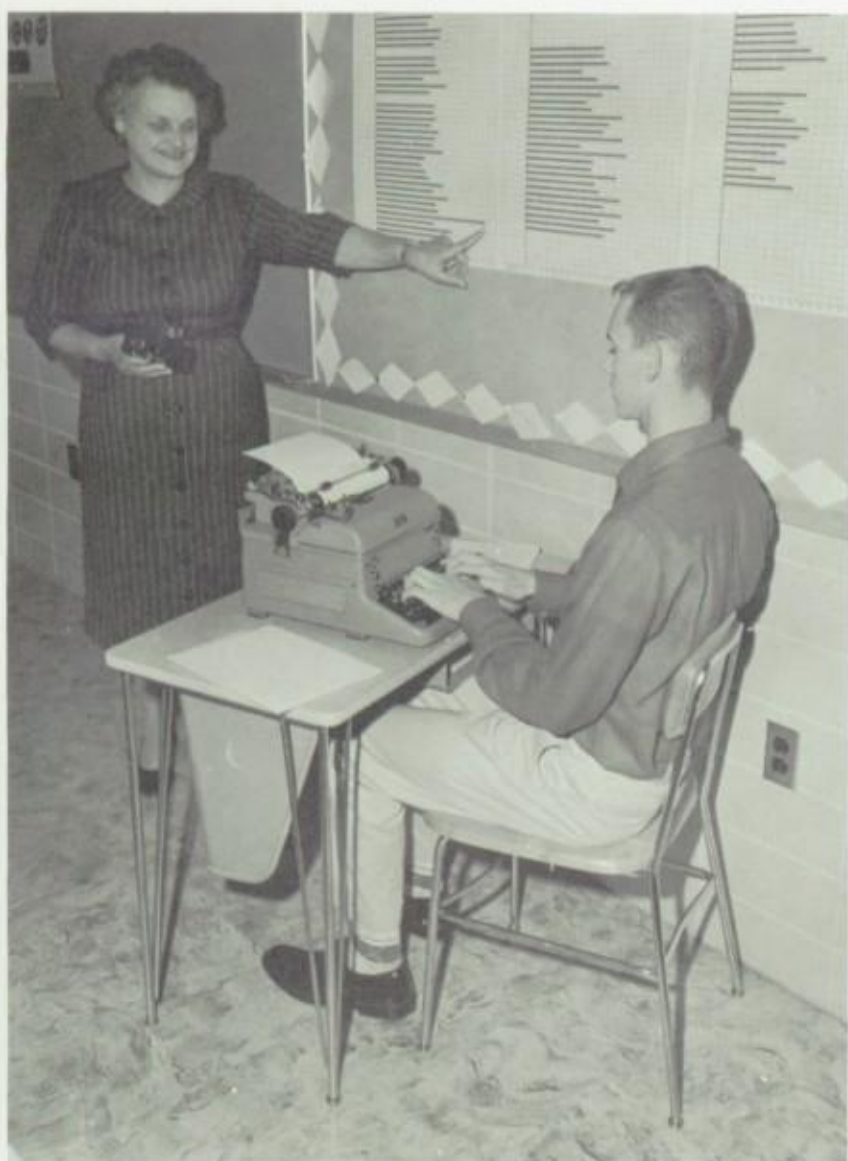

fabrics and patterns used in the making of their clothes. Each girl exhibits at least one completed article during the style show held each spring. Courses in home planning include actual practice of the many facets of housekeeping in the simulated home. Students enrolled in courses in child care learn about the actions and habits of small children. To receive practical training, the class holds a nursery school each spring before Easter for pre-school children. Every girl who has been enrolled in at least one of these courses is better prepared for a future as a housewife.

Superb seamstresses proudly display their garments.

Business—Important In Our Growing Economy

The business department of Sandusky High School offers many opportunities for those interested in a business career. Approximately 25 per cent of the student body this year is enrolled in commercial courses. Mr. Altier, Miss Bowman, Miss Hegerling, Mr. Kuldau, and Mrs. Miller teach the many skills necessary to this specialized profession. General business, typing, and shorthand are available for the student preparing for secretarial work, while office practice gives the necessary practical experience. Book-keeping, business law, and business English provide the more intricate details for those interested in the business world. Those who take advantage of these courses are sure to be a success in the professional world with such a rich business education behind them.

Sandusky Blue Streaks

Buckeye Conference *Tri-Champions*

1961

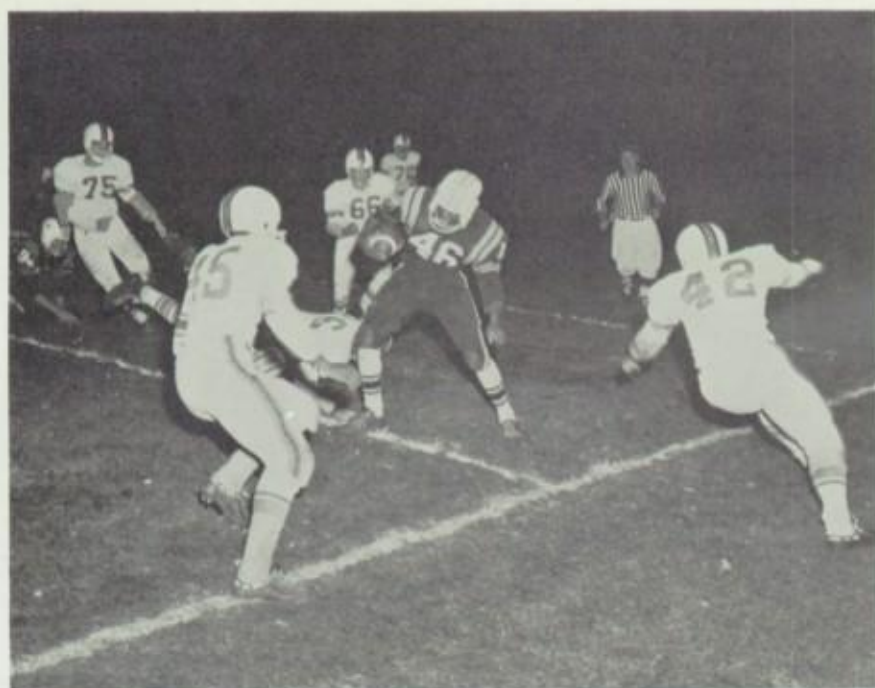

Losing most of the lettermen from last year, Coach Earle Bruce had to start his second year of coaching at Sandusky with a completely revamped team. Mr. Bruce and his efficient coaching staff did a splendid job as they had many obstacles to overcome. Injuries were one of the coach's worries while weight distribution was probably his main problem. At every game the Sandusky linemen were outweighed 20 to 30 pounds per man, but through determination, a desire to win, and rugged ball playing, the Streaks came through to meet the occasion every time.

The long and hot hours of practice put in by the Blue Streaks since August proved profitable. For when the gun went off ending the 1961 football season, Sandusky had compiled an impressive 8-2 season tally.

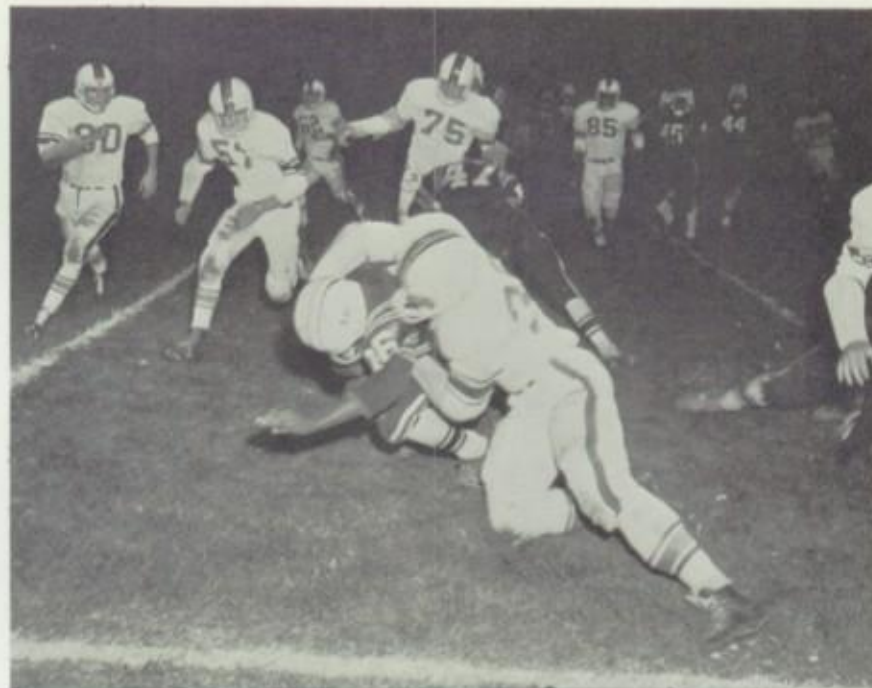

The Sandusky gridmen initiated the season by defeating Parma in a close one. We followed suit by taking the next four in a row. Then came our downfall as we traveled to Fremont. Two weeks later we were handed our second loss by top-rated Mansfield. The Big Blue then came storming back to defeat Marion and gave us a share of the Buckeye Conference Championship in which there was a three-way deadlock between Sandusky, Fremont, and Marion.

Pre-game Decision.

Try to get out of this one!

This corner was seldom rounded.

Heads or tails?

Co-captain Wayne King had the good fortune of being chosen to the All-Buckeye Conference first team on offense and defense and to the second team offense in the All-Ohio Poll. Other offensive players from Sandusky who were placed on the first team were Jim Glick, Bob Boos, and Steward Williams. Mike Curtis also won first team honors for his defensive play. Senior Dale Pelz and junior Randy Howland received second team recognitions.

This year's ground attack was led by powerful Steward Williams who still has another year of eligibility. During the Marion game Stu broke Ben Espy's record for the most yards gained in a season. Steward also received state wide honors as he was chosen to the All-Ohio first team in the A.P. poll and first team defense in the U.P.I. poll.

I'm O.K. Coach!

Freshman

Under the leadership of Coach William Schlagetter and Coach Dean Miller, the freshmen football team had a successful season with four wins and two losses. They defeated Lorain in their first encounter, lost to Elyria in their second one, but in their third game came back for a big win over Fremont. They suffered another defeat in their fourth game when they played Mansfield. The team then played Elyria again and came out on top with a score of 20 to 8. They closed the season by defeating Lorain Admiral King 50 to 14. Although they were outweighed by most of their opponents, desire, teamwork, and individual ability made this a very good season for our freshmen team.

ROW 1: J. Gray, L. Crabtree, K. Newton, G. Finley, J. Eiselstein, B. Wilson, C. Bahnsen, T. Dunlap. ROW 2: M. Wilkins, T. Byington, B. Yeager, R. Balconi, D. Frissell, B. Gundlach, J. Pollach, D. Sophomore

Sandusky High's 1961 sophomore gridders, under new coach, Mr. Larry Altier, finished for the second year in a row with a 4-win, 4-loss record. This year's record, however, might be a little more impressive since the games won were the "big" ones.

The formidable Streak front line was bolstered by a host of 200 pounders. The backfield, on the other hand, was manned mostly by smaller men. Halfbacks Bob McClellan and Dwight Harris did most of the soph's ball carrying, with McClellan the top scorer. All of these sophomore boys will contribute greatly to next year's varsity team.

The Streaks might have had a better record, but they were hampered by injuries throughout most of the season.

Sandusky Blue Streaks *Buckeye Conference Quad-Champions 1962*

Jump ball!

The Blue Streak Cagers started the 61-62 season with a bang as they defeated their first five opponents. Coach Bob Beachy's boys then met with their first loss against Findlay, and followed by taking the next three in succession. The weekend of January 19 and 20 proved disastrous as the squad registered its second and third losses to Marion and Huron. Again the team took the next three in a row, and again on the weekend of February 9 and 10, the Streaks suffered a pair of setbacks, this time at the hands of Elyria and Lorain Admiral King. Beachy's club landed the Fremont game easily, but dropped the last one to Mansfield, bringing the regular-season record to twelve wins and six defeats. There was also a hectic race for the Buckeye Conference championship, of which Sandusky was fortunate to get a part, along with Elyria, Marion, and Findlay. In tournament play the Streaks were one for two; they turned back Bellevue but bowed to Norwalk in a real thriller.

The future of the team looked questionable in the latter part of December, due to the illness of Captain Bob Boos, but a couple of fine replacements, Nick Gordon and John Woods, came to the rescue and helped the team on its winning way.

The mainspring on this year's squad was 6'3" Donald Rather. The lanky junior was high-point man in the Buckeye Conference with a total of 218 points. Twice Don tied the Sandusky High School scoring record of 33 points, then in the final tournament contest he came through with 35. High hopes are held for Don and the team next year since only three players will be lost by graduation.

Reserve Basketball

Thirteen boys, under the direction of Coach Robert Reiber, made up this year's reserve basketball team. It was truly a rough season for this year's reserves. Out of the total eighteen games which they played, they managed to secure only four victories for S.H.S. Coach Reiber explains that the reason for such a poor season was that the team lacked adequate knowledge of the game at the first of the season. However, as the season progressed, this knowledge was gained. By the end of the year much experience had been acquired and the team played well.

Freshman Basketball

The freshman basketball team fared exceptionally well during the 1961-1962 season.

The team, which consisted of seventeen boys, practiced every week night at Jackson Junior High School under the direction of Coach Lawrence Altier. The boys worked hard and because of their tremendous team spirit and desire to play the game, they provided many exciting moments for the basketball fans, and built another fine record for S.H.S. There is no doubt we have been watching our future varsity team in action.

We wish to congratulate Coach Altier, who is a new member of the Sandusky High School faculty this year, for his time and efforts in developing this successful team.

SPEED PLUS STAMINA EQUALS VICTORY

Cross Country

Sandusky High's cross country team, coached by William Couch, chalked up a record of 4 and 4 this year.

Despite the fact that the great team of '60 was made up mostly of seniors, whom we lost from this year's squad, the boys finished with an above-average season. They defeated Clyde twice, Attica once, and Elyria once, while losing to Marion twice, Mansfield once, and Fremont once.

This year the team was considered stronger individually than as a whole. Senior Ron Mischler and sophomore Jim Delk qualified for the Sandusky section of the Northwest District Cross Country Meet held at Mills Creek Golf Course. Ronnie finished 7th out of 96, winning a gold medal, while Jim finished 20th out of 96, winning a silver medal. Placing in the first seven qualified Ron for the State meet at Ohio State University. Here he finished 18th out of 43 boys. His time was 10:18.

Those receiving awards this year are seniors John Hartley, Stan Chapman, and Ron Mischler; juniors Clyde Green and Walter Wood; sophomores Tom Lehrer and James Delk; and freshman Bob Miller.

Cross Country, which usually starts with the beginning of school, has realized quite an upsurge of participating schools in the past few years. At one time it was difficult to schedule enough meets with a variety of schools. Neighboring Port Clinton and Bucyrus are two schools initiating the sport this year. Next year should prove more interesting as the sport picks up more momentum in the Sandusky area.

The S.H.S. wrestling team completed its most successful season since the squad's formation six years ago. The overall record was seven victories and two defeats, the latter coming at the hands of Elyria and Huron.

Coach Horning was fortunate in that he had ten returning lettermen from last year, but he and his assistant, Mr. Miller, had to cope with one major problem, weight. Many boys had difficulty bringing their excess poundage down to their respective weight classes, thus creating some changes in the initial line-up.

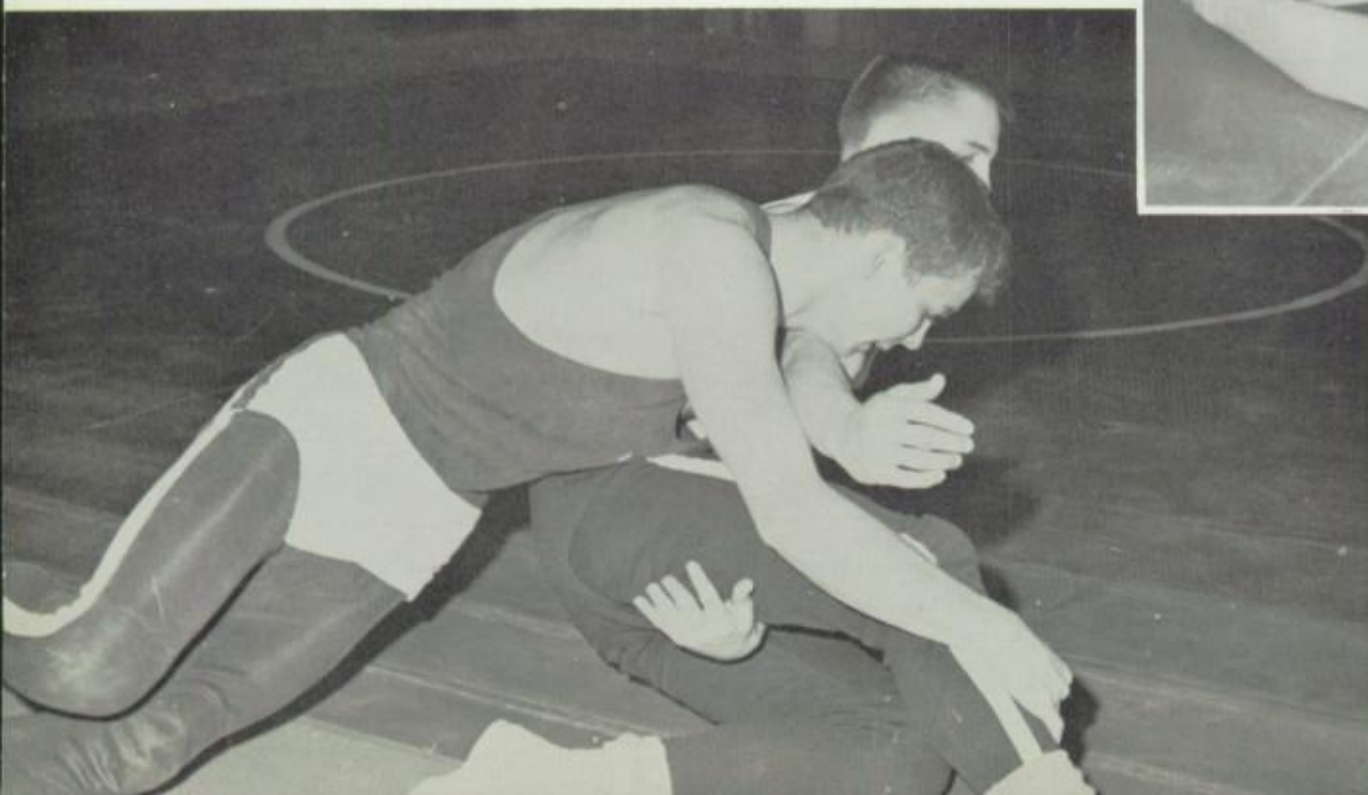

This past year saw a first in the wrestling program, the organization of a Buckeye Conference for the grapplers. The Streak wrestlers took a third in the new conference and then went on to place eighth in the Worthington Invitational matches. Moving on to the District matches, the squad brought home a fourth place rating ahead of twelve other teams. Dave Amerine was the only wrestler from Sandusky to emerge victorious from the Districts, therefore qualifying him for the State matches.

Swimming

Sandusky High's 1962 swimming team, under veteran coach Walter Caldwell, finished their season with a presentable four-win—six-loss record. In the district meet, which climaxed the team competition, the Streaks won second place honors.

Regular season dual meet victories came at the expense of Western Reserve, Findlay, and Fremont, with Fremont absorbing defeat twice. Losses came at the hands of Kent University School, Upper Arlington, defending state champion McKinley, Mansfield, and Lima Senior, twice. None of these meets was lost by more than ten points.

Splashing to victory.

And they're off!

In taking second place in the District, points were garnered by Bill Zorn, Jim Stauffer, Tim Sidley, Chris Morgan, Bob Santilla, Steve Springer, and Bob Feiszli. Also winning points were captured by both the free-style-relay and the medley-relay teams.

Outstanding performances were turned in throughout the season by senior breaststroker, Tim Sidley, who broke our school and pool records in the event. Juniors doing fine work this year were Bill Zorn, who lowered his own record in the 100-yard butterfly event, Chris Morgan in the 50-yard freestyle, and both junior divers, Steve Springer and Bob Feiszli. Several underclassmen showed great promise and will surely be of great help next year. Among these are Bob Santilla, Ron Leech, Jim Mayer, and freshmen Steve Deringer and Dan Brindley.

Track

Coach John Tabler molded S.H.S.'s 1961 track team into the best in many years. The Streaks rolled up a three win-one loss record in dual meets. Contests with Marion and Elyria, however, were canceled because of rain. Our lone loss in dual meets was to Mansfield Senior. The Streaks placed seventh out of over 100 schools in the Mansfield Relays, seventh in the Ohio Wesleyan Relays, and first in the Buckeye Conference meet at Marion.

Track is a sport of individuals and so a successful track team has to have outstanding members. The '61 team had more than its share. Buckeye Conference records were broken by Ben Espy in the 100-yard dash (10.0 sec.) and the 220-yard dash (21.7 sec.), Paul Garrett in the 440-yard dash (50.7 sec.), and Judge Scruggs in the broad jump (22 ft. 1 in.) In the District meet at Marion, Sandusky placed second to Mansfield by two points. A record was set by Paul Garrett in the 440-yard dash with a time of 50.3 seconds.

Relay records were broken at the Buckeye Conference meet by the 880-yard relay team of Dave Scott, Tim Stokes, Ben Espy, and Ron Craig, and at the Districts by the mile relay team of Dave Scott, Mike Alexander, Paul Garrett, and Steve Cronenwett.

The outlook for the future is rather uncertain but there are several underclassmen who will be very helpful. These future contributors will be sophomore speedster, Tim Stokes, junior hurdler and high jumper, Don Rather, and sophomore halfmiler, Steve Smith.

Awake my soul! Stretch every nerve . . .

Golf and Tennis

Under the supervision of Coach Bob Beachy, the 1961 golf team came through a damp season with flying colors, winning the Buckeye Conference Championship and finishing fourth with 333 points at the District match.

Making up our 1961 team were seniors, Dave Mumau, Jack Schee, Bill Poeschl, and Ronald Hlasten; juniors, Dale Pelz, Nick Gordon, and Gene Boni; and sophomores, Steve Springer and Eugene Mazza. All of these boys received first-year awards. Returning for the 1962 season were Pelz, Gordon, Boni, Mazza, and Springer.

Watch that grip.

The 1961 Tennis team, coached by Ray Morrow, consisted of seniors, Bill Quick and Gerald Braun; juniors, Ron Kurtz, Wayne King, and Charles Billiard; and sophomores, Bill Swisher and Earl Gysan. Although it was a wet season and many of the games were rained out, we won the Buckeye Conference Championship and ended the season with a 3-3 record. Six boys competed in the Sandusky Sectional Tournament. Of these six, Quick won the District singles championship and went to the State meet

The intramural sports program at S.H.S. was greatly augmented this year under the able direction of Mr. Ray Morrow. Girls intramural table tennis was added to the popular girls' bowling program, under the sponsorship of Miss Vogelgesang. The boys' intramural program included the following sports: basketball, tennis, bowling, table tennis, trampoline, and softball.

In the fall of 1961, the tennis program was initiated. Many matches later, Jim Lipp and Ron Kurtz emerged as the victors over the 28 boys participating.

During the winter months, 150 boys came out for intramural basketball. These boys were divided into a junior-senior league and a freshmen-sophomore league. Bowling, another enjoyable winter sport, was offered to both boys and girls. There were 116 boys and 45 girls out to compete for various trophies in their respective leagues.

The purpose of the intramural program is to provide athletic competition for those students not out for an interscholastic sport. The intramural program this year was the best in the history of S.H.S.

Tryouts for the 1961-62 cheerleading squad were held in the spring of 1961 for any freshman, sophomore, or junior. Out of the many girls participating, eighteen were chosen by a faculty committee. From these eighteen girls, the Student Council selected six for Varsity and four for Reserve in the final tryouts. The six members composing the Varsity squad were Sharon Gerlach, captain-senior; Martha Boardman, senior; Phyllis Darley, senior; Ginger Ryerson, junior; Wendy Meikle, junior; and Judy Lippus, junior. These girls worked very hard cheering at Varsity football and basketball games, making signs, planning pep rallies, and leading the Pep Club. They are also the honorary members of the Varsity S Club.

The four members making up the Reserve squad were Becky Snedden, captain-sophomore; Francine LaGrass, sophomore; Ellen Kesinger, sophomore; and Susan Hoffman, sophomore. These girls also worked hard. They were responsible for cheering at Reserve games, substituting for Varsity cheerleaders when necessary, and leading the Freshman Pep Club.

These ten girls were trying always to encourage sportsmanship and school spirit. They practiced one to two times a week both summer and winter. Both squads were under the capable supervision of Miss Lois Hartung and Miss Mary Vogelgesang.

Guidance By Student Council . . .

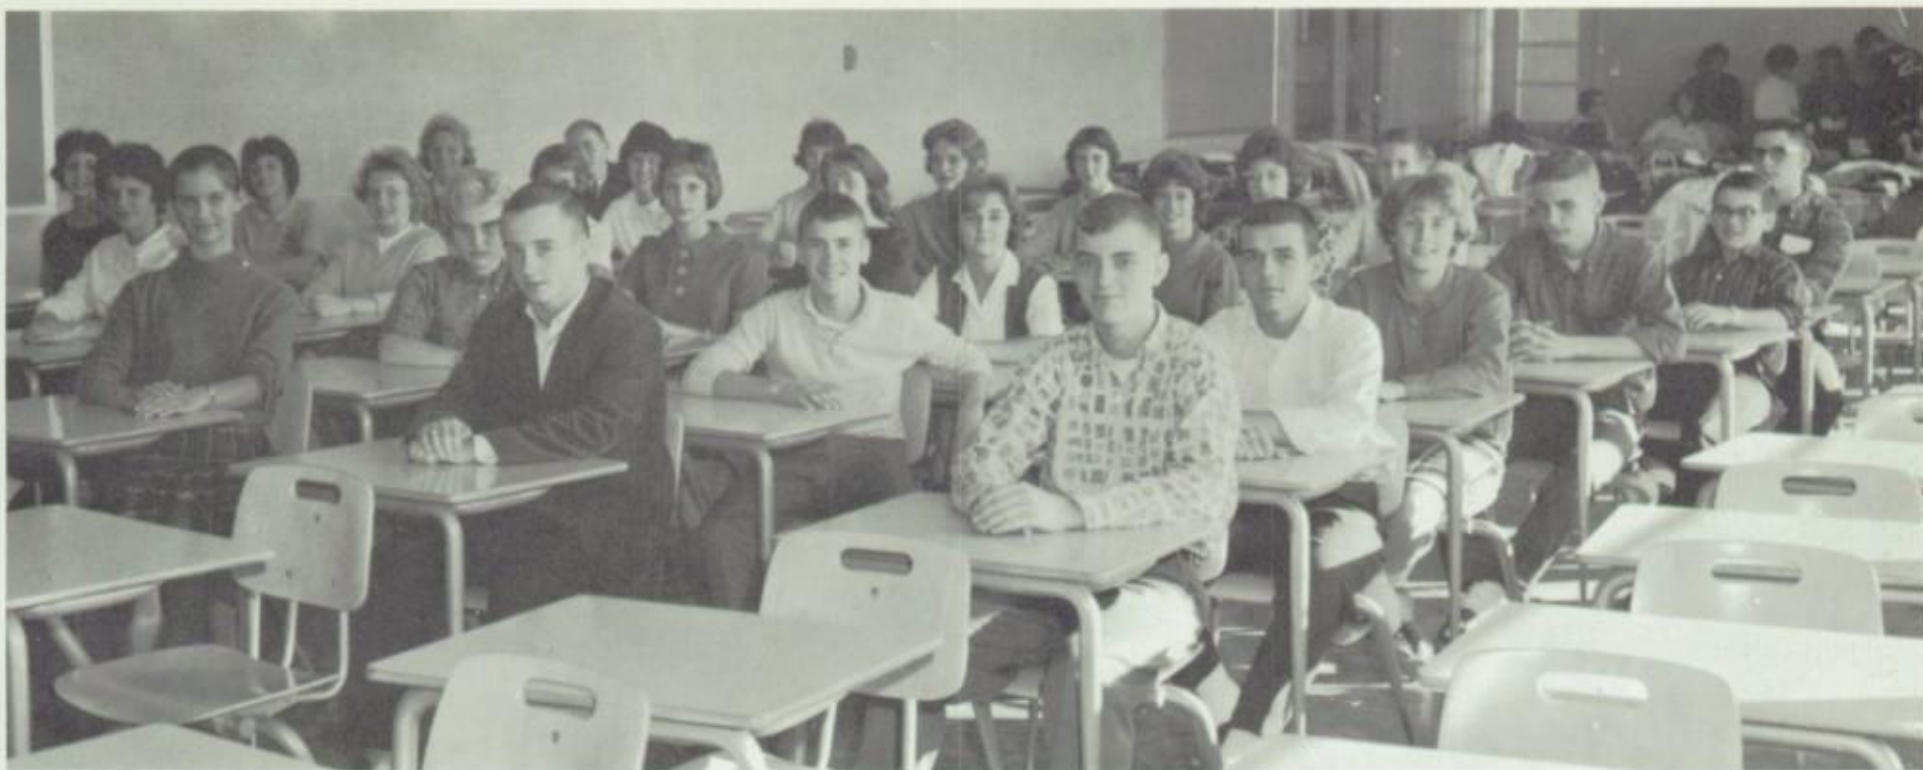

Efficient student government was guided by Andy Gordon, president; George Kaitsa, vice-president; Marty Boardman, treasurer; and Kathy Dolan, secretary.

Sandusky High School's Student Council is composed of eighty members, of which one representative is chosen from each freshman, sophomore, and junior homeroom, two from each senior homeroom, and one representative from each of the twelve various clubs and organizations.

Under the guidance of sponsors, Mrs. Niederhofer and Mr. Carpenter, the Student Council strives to carry out the wishes of the student body and to aid in the administration of many school activities. Our sales tax stamp drive is such an activity. This project helps raise money for the school funds and is inspired by a race among all homerooms. Another activity is the Unified Drive, a charity drive, which is carried on for one week every fall.

The Student Council also operates a concession stand at our football games. They are likewise responsible for helping to elect our cheerleaders.

The Student Council's primary aim, however, is to provide a working and effective student government.

Commercial Club Learns About The Business World

The Commercial Club helps its members to get acquainted with various aspects of the business world. Throughout the year it has had visits from speakers representing various business fields. Mrs. Wm. J. Frankel, from the Frankel Company, presented a style show. The club also visited WLEC where Mr. Jay Wagner and the broadcasting staff explained the operations of the radio station. Other pro-

grams included a trip to the Third National Branch Bank, and the group attended the annual spring business education conference at Bowling Green. The club earns its money at concession stands during football games. Club sponsors were Mrs. Bowman, Mrs. Miller, Mr. Kuldau, Miss Hegerling, and Mr. Altier.

Our Health Is In Their Hands

The fifty members of this worth-while club meet on the third Tuesday of every month. The club is open to all girls who have an interest in the field of nursing. Under the sponsorship of Mrs. Millott and Mrs. Winkler, the girls learn the requirements of becoming a nurse. Speakers, films, and visits through the hospitals and the School of Practical Nursing proved to be very beneficial.

This year the girls once more volunteered their services to the hospitals during mealtime. The girls render their services to the Health Center during their study periods and to the hospitals during Christmas. One of the projects the girls have completed this year is the donation of a locker for the Health Center.

Any boy especially interested in electronics and in amateur radio operation is eligible to join the Radio and Electronics Club. In its third successful year, the club scheduled code classes for learning the Morse Code and held theory discussions in preparation for obtaining their amateur licenses. Two of the boys, Larry Robinson and Robert Ziemke, are already licensed operators. Among the activities during the year were field trips to various electronic industries in the area. The boys were always striving to improve their own school amateur radio station. The club was under the direction of Mr. Schilman and Mr. Clark.

"What's the best move?" is the question in the minds of Ron Jefferson and Glenn Holzhauser.

S. H. S. Chess

Every move was one of major importance to the members of Chess Club, an informal organization which met Monday and Tuesday nights after school. The club consisted of ten students who played under the direction of Mr. Carver. Getting off to a late start, the club first met in December and continued through March. The main activity of this year's group was the annual tournament, in which each student played every other member of the club at least once. Glenn Holzhauser was the winner of the tournament.

Lights, Camera, Action

The purpose of the Dramatics Club is to provide all interested students an opportunity to learn about and to work in theater productions. Meetings of the club took place on the second and fourth Tuesday of each month. Under the enthusiastic direction of Mr. Couch, the group took on a new and interesting program. This year selected members attended drama clinics held at Bowling Green and Kent State University. They were divided into groups for the purpose of learning each phase of stage production. Information gained at these clinics was applied to the production of the school plays. Each year the club gives several plays. At Thanksgiving the 1961-1962 Dramatics Club presented *Mrs. McThing*, a Broadway hit. It was enjoyed by all those who attended.

Pictured here are several actors and actresses who took part in the Thanksgiving play, *Mrs. McThing*.

Hi-Lites Prints The News

Under the capable editing of Judy Pluckhorn, the *Sandusky Hi-Lites* again served as a source of news and information for the students of Sandusky High School. As part of their work in journalism class, six juniors and eight seniors published the newspaper weekly. Mrs. Anne Schubel again directed the efforts of these students.

The sports editor, Dale Pelz, kept the students informed of the latest scores and standings of the Blue Streaks, while Janice McDowell gave an account of the

current social activities. Other student reporters searched for interesting leads as well as the everyday happenings which completed the paper's news items. The *Hi-lites* roving photographer, Bob Clemens, always managed to be on hand at school functions where he took the pictures which complemented the news stories. These photographs, in addition to individual interviews, added variety to the paper. The combined efforts of these students resulted in interesting reading for the student body.

Fram Records The Year's Activities

Assemble the whole *Fram*! This is the job of the *Fram* Staff. The seventy-one members who assembled this year's book included the editors, the student photographer, artists, typists, and members of the four staffs. The editor-in-chief, Judina Henderson, and the assistant editor, Janet Miller, were chosen in the spring of 1961. Ad editor, Frannie Rey, and staff worked hard this year getting businesses to sponsor the *Fram*. One of their objectives was to place more pictures in the advertisement section of the book. This year the classes staff with Maria Keller, editor, got a picture of everyone in Sandusky High. Securing information about

all the organizations in the school was the responsibility of the organizations staff, edited by Sharon Gerlach. The sports staff with Jim Smith as editor dealt with all sports.

Miss Hegerling was the yearbook advisor. The other teachers who directed and helped were Mr. Kuldau, the financial advisor, Mr. Schneider, who was in charge of sales and distribution, and Mr. Garrabrant, who helped with sales. Miss Hartung, Mr. S. Shearer, and Miss Bookerman helped with proofreading, and Mrs. Brattain helped the artists.

The International Club . . .

The International Club is an organization formed for students who are enrolled in or have taken a foreign language. The one hundred and eighty-five members hold their meetings the second and fourth Wednesdays of every month.

Although the club has many activities, the most important is the support of foreign exchange students through the American Field Service Program. Last

summer Janet Miller was the exchange student from Sandusky High to Istanbul, Turkey. This year Lucy Troyo was our guest from Costa Rica. To afford this, the club has many fund-raising activities. An example is the carnival given every other year.

Miss Blackwell, Mrs. Scheufler, Mrs. Schubel, and Mr. Garabrant were the sponsors of this club.

A Cappella Choir

Under the direction of their beloved Mr. Kaufman, the A Cappella Choir's 109 voices heralded the Christmas season this year on their twenty-eighth annual concert. The Choir again presented their inspiring program to several local service clubs during the season and recorded the program on record. For the Easter concert, the Choir collaborated with the Girls' Glee Club and gave a beautiful and memorable program.

Among the many other performances and activities in the spring, such as the Buckeye Conference Choir Festival, the Choir recorded a special program for the local radio station.

In addition to the officers, are Susan Grant, student council representative; Peggy Weis and Nancy Joseph, librarians; and Joe Harbrecht, riser chairman.

Officers: Gary Butler, president; Margie Spector, treasurer; Susy Frutig, secretary; Mike Bennett, vice-president.

All eyes are focused on Mr. Kaufman, the Choir's dedicated director. This picture was taken during the Christmas concert.

Girls' Glee Club

The Girls' Glee Club, under the direction of Mr. Harold Kaufman, again sang at the school's open house and annual Christmas ceremony downtown. Besides presenting concerts to various local and civic organizations, they joined with the A Cappella Choir in performing their Easter Program.

Girls' Glee Club Officers: Carolyn Castrovine, president; Connie Brecheisen, treasurer; Donna Rice, secretary; Karen Sue Olson, vice-president.

Select Vocalists And . . .

Twenty vocalists selected from the A Cappella Choir and ten musicians selected from the band make up the SandusKeynotes. This merry group performs for private organizations as well as for the public and the student body. They meet from 8:00 to 8:20 in the morning. Through the brilliance of song, the Keynotes delighted audiences with, "And Now

in Living Color." Their annual show which included student talent, featured Marjorie Spector, Jim Platte, and Debbie Windau in a trumpet trio; Linda Dale and Shelly Coonrad in a dance routine; and Steve Bovia, Rachel Wray, Ronnie Kurtz, and Lynn Weigle participated in musical numbers.

C. Hlasten, G. Bankert, J. Bruick, M. Spector, D. Swank, J. Panning, B. Davison, R. Wray, C. Billiard.

Octet

Each year Mr. Kaufman selects eight vocalists from the choir to perform for service clubs and other groups in and around Sandusky. The Octet often performs when it is not feasible for the choir to do so. Another main activity of the Octet is to help in the production of the annual talent show.

Dance Band

Composed of twenty-two talented members, the Dance Band performs under the direction of Mr. Richard Speir. The main objective of this organization is to play dance music for our school dances, civic functions, and any other organization which requests its services. Performing in this group gives the students a chance to develop

proficiency in playing dance music. An annual event is to make a recording which is broadcasted on WLEC. Members of the Dance Band are usually chosen from the Marching and Concert Band. The Dance Band played for the Pigskin Parade and the Junior Dance.

An outstanding and popular activity at S.H.S. is the Sandusky High Marching Band under the direction of Mr. Albert. Mr. Aldrich and Mr. Speir assist him. Anyone with previous musical training is eligible to join the 105-member group. During the football season they practice their half-time shows at the stadium parking lot. The band plays at football and basketball games, pep rallies, and participates in local parades. Everyone at S.H.S. can be proud of a job well done by our Sandusky High Band.

This year's majorettes were Darlene Dunkel, Marcia Balconi, Diane Kenyon, Jane Link, and Vicki Matter.

Majorettes

This year everyone at the football games was entertained by Sandusky High School's sparkling majorettes. These girls practiced every day after school with the band in order to perfect routines for the halftime shows. Students look forward to these performances every year.

Fifteen senior band members formed the small "S" in order to give them special recognition as they performed their last "half-time program" at the end of the marching season.

Ronnie Craig began twirling a baton when he was in the seventh grade. When he entered Sandusky High in 1958, he became assistant drum major under Patti Peters. In 1959 he became our head drum major, a position he's retained through his senior year.

Freshman Band

Created last year, the Freshman Band directed by Mr. Aldrich is composed of about forty members. The object of this prep band is to further the players' training and to prepare them to play in the Varsity Band in their sophomore year. The Freshman Band played alternately with the Varsity Band at our basketball games.

The Swan Club . . .

After the new Swans were chosen through tryouts in early September, practices began which continued through April. At the annual picnic held in the spring of 1961, the girls chose the following officers to preside over the 1961-1962 year: president, Connie Schreiner; vice-president, Karen Rinderle; secretary, Judina Henderson; treasurer, Emmy Weis; student director, Kathy Dolan; and assistant director, Linda Brattain. This year's

club consisted of thirty-four varsity members and seven reserves. Practices were held every Monday night after school. Each session began with a business meeting followed by dryland calisthenics and practice on skills and strokes. Social highlights of the year included initiation of the new Swans, a banquet in honor of the seniors, and the annual picnic.

"Shades of Night" was the theme of the 1961-1962 Swan Club Show. Kathy Dolan and Suzy Biehl were chosen as this year's senior soloists. Money received from last year's show, serving at banquets, and working at concession stands helped to pay for the Swans' new sound cart with underwater speakers. Awards were given to all the varsity and reserve members of the club at the end of the year. The club sponsors were Miss Bouy and Miss Vogelgesang.

The Pep Club Builds Spirit

"Who's going to win tonight? Sandusky!" With this in mind the 110 blue and white clad girls of Pep Club cheer our team onward at almost every home basketball game. The girls also attend at least one out of town game. About fifty reserves are ready to take the places of varsity members unable to cheer. "New Cheers" and "Programming" committees were added this year. Having

bake sales, serving at banquets, and operating stands during the football games are Pep Club's fund-raising activities. Awards are: first year—certificates; second year—pins; third year—graduating year guard; fourth year—lavalier. Miss Lois Hartung was the Pep Club's sponsor. Formed again this year, the Freshman Pep Club cheers at reserve basketball games.

Susie Traub, secretary; Janet Miller, vice-president; Frannie Rey, president; Carol Tomlin, treasurer.

The Pep Club cheered at Dad's Night.

At the annual Pigskin Parade, the six varsity cheerleaders were crowned the queens. Standing above them are their varsity football player escorts. The sixth cheerleader not present is Ginger Ryerson.

Made up of varsity letter winners, the Varsity "S" Club worked enthusiastically supporting various athletic functions. One of the most successful social events of the school year, the Pigskin Parade, was again sponsored by the club. During the basketball tournament, the members took charge of the checkroom. Under the direction of Mr. John Tabler, the Varsity "S" Club again was an example of excellent athletic leadership.
